SALE TO BE HELD AT
DES MOINES, IOWA
Saturday, February 13, 1937

The FOREWORD

IN presenting this offering of bulls we are giving the public the opportunity to profit from the result of thirty years of improvement of a herd of Shorthorns that was founded upon the best specimens that were obtainable when the herd was started. The record of the "Divide Shorthorns" is well known to all who have kept informed of the progress of Shorthorns during the past third of a century. Throughout the United States and Canada breeders have used bulls that were produced in the Divide herd to improve their herds. They have secured heifers upon which to found families that have proved profitable. Productions from the Divide herd have been exported as far away as Australia where they are carrying on the work of improvement.

Our show record is fully as well known as our record for producing breed improving stock. Every year in the past score of years many of the leading expositions and fairs have had exhibits of Shorthorns from our herd and in every one of these we have had winners. Our record for winning first prize in the get-of-sire class has been particularly gratifying. We have had firsts and championships at the International Live Stock Show at Chicago, the Canadian Royal at Toronto, the American Royal at Kansas City, the Pacific International at Portland, the Western National at Denver and at other shows too numerous to mention.

During the season just closed we exhibited at the American Royal, the Canadian Royal and the International where we won many firsts and a few championships on both bulls and females. While this catalog is being printed our herd is being shown at Ogden and Denver and the results of those showings will be known to the public before the date of the sale.

In this sale we offer the best lot of bulls that have been produced by any one breeding establishment and sold in one auction sale. We are not selling any females at this time because the shortage of feed throughout the Country this year is not conducive to a good trade in females and we have plenty of feed on our own ranches for all of the cattle that we have at this time.

In order to make it convenient for the greater number of those who may wish to buy at this sale, we are moving these bulls to Des Moines, Iowa. There is a comfortable heated sale pavilion within the cattle barn at the Iowa State Fair Grounds. There the sale will be held. The bulls will arrive a few days in advance of the sale and buyers will have plenty of opportunity to examine them before they come into the sale ring.

We request that you study this catalog. Note the large number of bulls that have been bred from three to six generations in our herd. Observe their uniformity. Remember that sires produced in a herd that is universally good by inheritance, are much more apt to reproduce good quality than occasionally good specimens produced in herds that are of only average merit throughout. We know that these bulls will reproduce for you calves that will grow into the same kind as themselves. This is assured because their immediate ancestors for several generations are of that kind.

We invite you to come to Des Moines on February 13 to see these bulls and to buy one or more of them if you wish. When you visit Colorado, we invite you to come to the Divide Ranch and to the Allen Ranch and to see the breeding stock that has produced the bulls that we are offering in this sale. We believe that if you were to see our herd bulls and our breeding

matrons that it would add to your favorable impression of the bulls that we are offering in this sale.

Guarantee and Terms

Proper care shall be given by purchaser to protect breeding qualities and health of animals.

All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.

Any bull not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase, but the seller may, if he desires, have him returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the purchaser. If the bull is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case bull proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

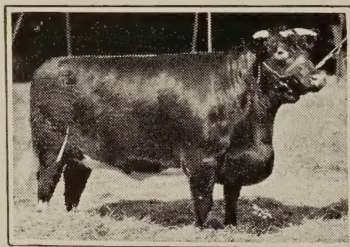

All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Bulls shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of bull, except purchaser shall agree to accept a substitute.

Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

TERMS: Cash.

The above guarantee and terms constitute a contract between the buyer and seller.

HEALTH: This herd is Federally Accredited for tuberculosis and every animal has been blood tested for Bang's Disease. A 60-day tuberculin retest is allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go.

DIVIDE SHORTHORN BULL SALE, DES MOINES, IA., FEBRUARY 13

BROWDALE GOLDSPUR 1464101

Grand champion of the International Stock Show in 1929. Sire of the junior champion bull at that show in 1931. One of his sons was top priced bull at the Helfred Farms' sale. He is the greatest living sire of both bulls and females. Every bull that he has sired that has been put into service has made good. At six years of age he was the top priced bull sold in 1933 and none sold higher by auction until his son, Divide Gold Nugget 1821475, was purchased by Haylands Farm, Springfield, Illinois, at our 1936 auction for \$1700.00. Each year that he lives he becomes more valuable because more people realize his value. In this sale there will be sixteen sons of this outstanding sire.

Divide Actor 1855000—Is a full brother of Divide Dale Conqueror, the bull that was sold in our 1936 sale to Paul and Griff Johnson, Wilton Jct., Iowa, and that is making good as a sire. His dam is of the family that produced for us our grand young herd bull, Divide Achievement. Divide Actor will prove to be an excellent sire and is ready to use now.

Here are eight of the sons of Browndale Goldspur that will be sold in this sale. They are posed on the ranch with Pike's Peak in the background. We invite all Shorthorn breeders to visit the Ranch and to see the cows from which we produce the outstanding bulls that we offer annually and to see the conditions under which they are produced. When you do come, you will learn why our cattle are invariably healthy and "good doers," and you will obey that impulse to own and use a "Divide" herd bull. From left to right the bulls in this picture are, Divide Gold Merit, Divide Gold Sovereign, Divide Goldspur, Divide Actor, Divide Advance 2d, Divide Ace, Divide Aristocrat and Divide Goldmark. Our cattle are all bred along similar lines by the use of the best of sires for more than a score of years. Where cattle are bred so uniformly good, all of them may be expected to prove to be excellent sires.

Divide Aristocrat 1855004—Is as good a bull as we have in the herd this year. He was calved late for the senior calf class but would have given a good account of himself if shown. His dam, Divide Maid 11th 1690876 is a grand cow that made a great show record in 1932 and the winter of 1933. She was undefeated in class and was junior champion at the American Royal, the International and the Ogden and Denver shows that season. Every expert who has visited our ranches in recent months has expressed admiration of this excellent young herd bull prospect.

Divide Solitaire 1871939—For show or breeding purposes or both Divide Solitaire will make good.

Since this catalog was printed the Ogden, Utah, show and the National Western Stock Show at Denver, Colo., have been held. Some of the bulls listed in this catalog were exhibited at these important shows with the following results:

At Ogden, Utah

Junior Yearling Bull Class: Divide Quest (Lot 17) first and Divide Goldspur (Lot 7) third. Summer Yearling Class: Divide Advance 2d (Lot 1) first, Divide Advocate (Lot 13) fourth. Senior Bull Calf Class: Divide Goldpiece (Lot 3) second; Divide Aristocrat (Lot 18) fourth. Junior Bull Calf Class: Divide Goldseeker, first. We also won first on a pair of bulls bred by Exhibitor and Divide Advance 2d was the Junior Champion of the show.

At Denver, Colorado

In the Junior Yearling Bull Class, Divide Quest (Lot 17) was first and Divide Goldspur (Lot 7) was first.

In the Senior Bull Calf Class, Divide Goldpiece (Lot 3) was first; Divide Aristocrat (Lot 18) was 4th and Divide Solitaire (Lot 19) was fifth.

In the Junior Bull Calf Class, Divide Goldseeker was first and Divide Goldmark (Lot 14) was second.

We won first prize in the class for group of three bulls on Divide Goldseeker, Divide Goldmark and Divide Goldpiece. We won first prize on a group of two bulls on Divide Goldseeker and Divide Goldpiece.

Divide Goldpiece was in the first prize pair of calves and was the Junior Champion bull of the show.

Browndale Archer 1406824

BROWDALE ARCHER was a red bull, bred at Edellyn Farms and sired by that peerless sire Browndale Count. His dam, Poplar Camelia was an imported cow by Stoneytown Archer. She was an outstanding individual and partly from her and partly from the dam of Browndale Count, he inherited the ability to stamp his calves with dark roan and red, a characteristic that has added much to their attractiveness.

In "The Story of Browndale Count" Rank Forbes says "Browndale Archer was purchased by The Allen Cattle Company of Colorado for \$1500.00. History reveals few bulls his equal as a consistent sire of uniformly high-class offspring, both male and female. So many of his get have been shown year after year and they have won so consistently in class, groups and championships, that it is not far-fetched to proclaim him premier sire among all the great sons of Browndale Count. Browndale Archer first was sold to go to Argentina but fortunately Wharton Allen bought him and saved this great sire for America."

Every bull in this sale is a direct descendent of Browndale Archer. His influence permeates the entire Divide herd and is largely responsible for its greatness.

Browndale Goldspur 1464101

BROWDALE GOLDSPUR has proven to be the ideal sire to use on the daughters of Browndale Archer. An International grand champion, himself, he sired the International junior champion bull of 1931 and the junior champion female of 1936 and innumerable firsts and champions at other important shows such as the American Royal, the Canadian Royal, the National Western, etc.

The sons of Browndale Goldspur have won consistently both in single classes by age and in groups. Since we have been showing his offspring, the get of no bull has averaged higher in the show-ring than his. His daughters also rank among the best, Divide Golden Lassie 1833176 winning the junior championship of the 1936 International and groups containing females standing well to the top at all shows.

The Allen Cattle Company have line-bred their Shorthorn cattle for thirty years. Each year their productions become more uniform and more nearly approach the ideal toward which our best breeders are striving. That these cattle will reproduce their kind is assured because they have descended from several successive generations of their kind.

If you wish to gain the reputation of using the best of herd bulls, if you wish to found your herd on females that will be recognized by discriminating Shorthorn breeders as the best that can be had, if you wish to buy show bulls and show females that will win, buy those that are bred by The Allen Cattle Company.

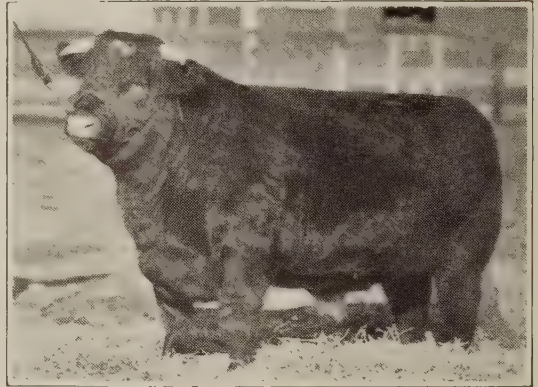

WILL JOHNSON, Sale Manager.

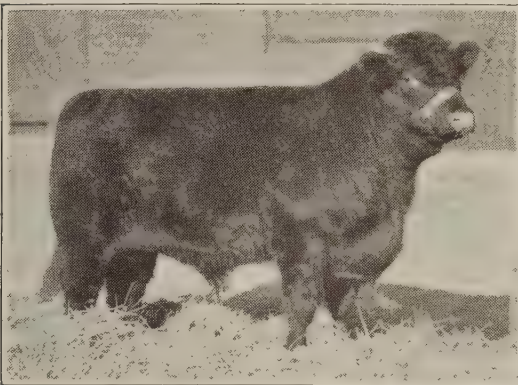

Divide Achievement 1821472. Sire, Browndale Goldspur 1464101, Dam, Divide Miriam 1338735 by Richland Conqueror 1050333. Calved November 21, 1934. He was selected from the 1934 crop of calves for use in our own herd. His calves have come and they meet with our expectations.
